All competitors selected for live TV coverage, except the **last three**, shall stop at the STOP control to complete their time card procedure and live TV interviews. Once the interview and time card procedures are completed, these competitors must proceed to the Podium holding area following the road book and follow officials' instructions.

The last three competitors selected for Live TV coverage shall NOT stop at the STOP control and shall drive directly to the Power Stage Holding Area where interviews and time card procedure are completed. A dedicated parking place, closer to the podium area, will be available for the final car. At the dedicated parking place for the final car, the crew can get out of the car and celebrate on the roof as normal. The Time Control procedure shall be completed at that spot by the co-driver while the interviews are taking place.
