| Road conditions: | Dry and dusty | | |

Car 33. EVANS/MARTIN

"It was very loose. It felt like I had much less grip."

Car 11. NEUVILLE/GILSOUL

"Very slippery. I struggled a lot with the rear. I lose a lot of time because I can't accelerate and have to wait. We need to work a bit on the car. Our car is very long for these stages."

Car 17. OGIER/INGRASSIA

"It's always a difficult stage. I struggle with some things still. I tried to use the lines of the cars in front."

Car 69. ROVANPERÄ/HALTTUNEN

"Its done we have to go." Front-left puncture and damage to that side of the car.

Car 4. LAPPI/FERM

"It's horrible.No grip."

Car 8. TÄNAK/JARVEOJA

"To be honest not great, but I think we do quite good a stage. It is far from perfect."

Car 3. SUNINEN/LEHTINEN

"It was quite okay. I am still struggling with the driving rhythm and a few mistakes in the middle, but not too bad."

Car 44. GREENSMITH/EDMONDSON

"I had a lot of warnings and it distracted me, so..."

Car 6. SORDO/DEL BARRIO

Stopped on the stage and investigate something under the bonnet and then restarted again. "The fan cooling the radiator went off after 6km. Honestly it is not something very difficult to fix."

Car 20. GRYAZIN/FEDOROV

"It was quite difficult with really low grip. I was not expecting that. It was difficult to know when to push and when to not."

Car 21. VEIBY/ANDERSSON

Driving slowly through the stage.

Car 26. GUERRA/CUÉ

Stopped in the stage after 14km.
